

Clean, gently worn or new

Winter Coats Needed!

We will distribute coats to hundreds of local low-income families at our Free Winter Coat Shops in October and November. **We especially need children's and adult extra-large sizes (including 2X, 3X, etc.).**

We do not have facilities or funds to wash coats, so please be sure they are clean. Financial contributions are welcome and will be used to purchase additional coats as needed.

Please drop off your donation between **September 1 - October 31** at 1975 Ferguson Road, Allison Park, PA 15101. To make alternate drop-off arrangements or for help organizing a coat drive, contact Vicki at **412-487-6316**, option 1, or vdburst@nhco.org.

Thank you!
